

# UTILITY DEFENDER

## THE ULTIMATE CLEANOUT PROTECTION

Eliminate expensive Hydrovac Services... Protect your sewer lines with the best.

### PREVENT COSTLY MISTAKES

Highly visible, super durable utility shroud with pivoting marker pole that helps protect sewer lines from costly damage.

CLEANOUT DEFENDER  
CD-V118

### 360° PIVOT HINGE

Always returns to upright position.

Heavy duty shroud housing designed to provide  
**maximum cleanout protection**

## Features

### CLEANOUT PROTECTION

During construction, it is common for sewer lines to be damaged by jobsite equipment and fill with debris often leading to expensive Hydrovac Services.

### PROTECTIVE SHROUD CONE

Housing provides maximum cleanout protection with Heavy-Duty, Rigid Shroud that protects the sewer line with a safety barrier.

### HIGH VISIBILITY MARKER

High visibility green color with oversized, high-contrast warning markings help prevent construction damage to sewer pipes and clean outs.

### LOCATABLE CAP

Optional Locatable Cap with Metal Insert makes finding buried components a breeze using standard locating devices.

### 360° PIVOT HINGE

DOT certified, innovative 360° Pivot Hinge on marker pole designed to take multiple high-impact strikes always returning to the upright warning position.

### ADJUSTABLE COLLAR EXTENDER

Optional Adjustable Collar Extender can be screwed up or down to almost any depth to accommodate new landscape levels.

### FAIL SAFE ARM

Break-away design fractures the flag mount assembly in the event of excessive force leaving shroud intact.

### MADE IN USA

Innovative, patented product designed, engineered, and made in the USA.

## Specifications

### DIMENSIONS

length:	23.5" / 59.7 cm
width:	23.5" / 59.7 cm
height:	63.5" / 161.3 cm
shroud height:	22.875" / 58.1 cm
weight:	18.4 lbs. / 8.36 kg

### MATERIALS

pole:	High Impact PVC
cap:	HDPE (available in Cast Iron)
collar:	HDPE
shroud:	HDPE
